

A vibrant, cartoon-style illustration of a park maze. The maze is formed by light brown paths on a green lawn, with a blue stream winding through it. Various children are engaged in different activities: one is riding a red bicycle, another is having a picnic on a red blanket, two are playing with a small deer, one is painting a tree on an easel, and another is reading a book. There are also children playing with a dog, a boy sitting on a log, and a girl feeding birds. The park is decorated with trees, bushes, flowers, and a small bridge. A sign at the top right says 'Arrivée' (Arrival) and a sign at the bottom left says 'Départ' (Departure).

Seigneur,
c'est parfois
difficile de choisir.
Toi, tu nous aides.
Toi, tu nous guides
pour prendre
le bon chemin.
Merci Seigneur.
